Public Country-by-Country Reporting

Germany

The Public Country-by-Country Report of The Toro Company and its German subsidiaries, Regnerbau Calw GmbH, Toro Germany I GmbH, and Toro Global Services - Germany, is available free of charge through the German Company Register. Accordingly, pursuant to the applicable German implementation of the EU Public Country-by-Country Reporting requirements, these entities fulfill their publication obligations by providing access to the report through the German Company Register. Therefore, the obligation to disclose the complete report on this webpage does not apply.

Belgium

The report on income tax information, also referred to as Public Country-by-Country Reporting, has been prepared in accordance with Directive (EU) 2021/2101 regarding the disclosure of income tax information by certain undertakings and branches, as transposed into Belgian law by the Act of 8 January 2024 and further implemented by the Royal Decree of 18 June 2024.

The report has been filed with the National Bank of Belgium using the applicable taxonomy and technical guidance issued by the National Bank of Belgium. In accordance with Article 3:12/1 of the Belgian Code of Companies and Associations, the exemption from separate publication of the report on the reporting entity's own website has been applied.

For purposes of this exemption, the required disclosure information is made available on the website of a related group entity in Germany. Accordingly, publication of this statement on the website of the related German entity herein satisfies the applicable Belgian website publication requirements.

The report can be accessed through the National Bank of Belgium's consultation tool using the following information:

- Reporting entity: Toro Europe NV
- Company registration number: 0402896131
