

# THE PROFESSIONALS OF **IRRIGATION**

## ZR22

Elevate Your Irrigation with  
Precision, Durability, and  
the unmatched "Made in  
Germany" Quality.

## A CENTURY OF INNOVATION AND TRUST

At Perrot, we believe that the best irrigation solutions are built on a foundation of innovation, quality, and customer trust. With a proud heritage of designing advanced irrigation products, our commitment to supporting agricultural professionals is unwavering.

Over the decades, Perrot has become synonymous with superior engineering, reliability, and a passion for precision irrigation.

*Our mission is to empower farmers with technology that keeps crops healthy, optimizes water usage, and withstands the toughest conditions.*

## FEATURES & BENEFITS

### ENGINEERED DESIGN

The ZR22 is the first sprinkler in the Perrot Ag line with a glass-fiber reinforced plastic body. This durable, lightweight design ensures effortless installation and handling.

### HIGH-PERFORMANCE IRRIGATION

Engineered for precise water distribution, the ZR22 ensures uniform coverage across both permanent and seasonal crops.

### VERSATILE APPLICATIONS

Perfect for a wide variety of settings and irrigation needs, from large-scale farms to specialty crop plots.

### READY TO RULE

Tested in laboratory and real-world environments, the ZR22 can withstand harsh weather and demanding field conditions.

### MADE IN GERMANY

Every ZR22 sprinkler is manufactured to the highest standards, guaranteeing longevity, and peace of mind.

## TECHNICAL DATA

Inlet: 1 ½" male thread

Types: Full and part circle options

Trajectory: 22°

Flow rate range: 4,5 – 32,0 m³/h

Casting range: 20,4 – 39,6 m

Nozzles Sizes: Ø 7 mm to 17.5 mm

Operating pressure: 3,0 – 8,0 bar

Material: Glass-fiber reinforced plastic body

Origin: Made in Germany

## INSTALLATION GUIDELINES:

For optimal results, select the nozzle size best suited to your crop and field conditions. For detailed technical specifications and installation advice, download the datasheet in your preferred language at [www.perrot.de](http://www.perrot.de).
